Select the first group under Step 2:
MU Social & Behavioral Research Investigators and Key Personnel

Select Group

Step 1. Review information from your institution before you select a group.

Step 2. Select a group appropriate to your research activities.

- **MU Social & Behavioral Research Investigators and Key Personnel.**
  Complete the required modules and those optional modules that are directly related to your research interests and activities. You may complete optional modules at any time after completing the Basic Course. Your completion report will update automatically.

- **IRB Reference Resource**
  All CITI modules are available for ongoing use and reference when you join this Learner Group. However, if you are required to complete the CITI modules as a prerequisite for conducting human subjects research, you must enroll in the Group list above. You must complete the required course content to receive "credit" for the course. You may change your Learner Group status later to "IRB Reference Resource" for ongoing access and resource use of all CITI modules.

After clicking on the Submit button, this screen will appear.
