Your semester invoice (and subsequent monthly invoices) will identify all University charges for the semester (tuition, fees, housing and meals, if applicable). Other charges may also appear on your invoice (for example; telephone charges, health center charges, or charges from previous terms of enrollment). These are called “authorized allowable charges.”

By signing the authorization below, you agree to allow Miami University to use your Federal Title IV Financial Aid* to pay these authorized allowable charges in addition to your tuition and fees.

If you have any questions, please contact the One Stop for Student Success Services:

1. Other, current year, educationally related charges incurred by the student.
2. Prior year, educationally related charges at a maximum of $200.

I understand that I must notify the One Stop in writing if I wish to cancel this authorization. Cancellation is not retroactive.
